## Merry Christmas and Happy New Year

December 2011

Give your family the gift that  
keeps on giving; PEACE OF MIND

We are happy to offer our clients Life Control, a 2-way voice pendant that contacts 911 operator in the event of an emergency. The pendant can be worn anywhere around your home, no need to use your telephone.

Contact our sales staff for complete details on the protection benefits of the Life Control 2-way pendant.

### Tips to Protect You and Your Home this Holiday Season

- \* Always test and check lights for loose, frayed connections; if damaged, get rid of the lights.
- \* If out shopping for Christmas or attending holiday parties; don't post plans on Facebook or Twitter. Even though you have friends as followers; someone that shouldn't see your plans, might.
- \* Always arm your security system.
- \* Also, be discreet about placing gift product packaging on the curb for trash day. You don't need to advertise your new Samsung TV to potential robbers.

Test your system monthly!
